Dear Friends,

Revelation 4:11 – “You are worthy, O Lord, to receive glory and honor and power; for you created all things. And by Your will they exist and were created.”

The Indoor Rodeo outreach led by our children this year (as John & Cynthia were both sick) went really well. The Shantyman dinner was held in Williams Lake on May 7. It was an encouragement to us to have all of those who came there with us for the evening. Our reporting time to churches in Washington in May went by very fast. The people we saw and visited with during this time were so encouraging.

The last weekend in May, John took nine 11-16 year old boys on a horse campout. They took turns riding the horses and walking. Our son Jim and Klane Vike drove trucks out there with all of the gear and food and were the camp cooks. Everyone came back with smiles on their faces. Most of the boys were true outdoor types and adapted well to the western type activities of camping, horseback “man hunter”, cold lake swimming, riflery, and general horsemanship, but some were out of their element. It was neat to see the difference in the boy’s attitudes as they began to change from over-confident to young men who were willing to listen and learn from others. Perhaps the more open attitude was helpful in the spiritual teaching as well.

We would like to update you on the this month’s events here.

- July 1-4 – Williams Lake Stampede Outreach
We have the chapel tent on the Stampede Grounds for the four days. On Saturday is the parade in which we will be handing out Shantyman magazines and tracts. Cowboy Church is at 9 AM in the grandstands.
- July 4-18 - Jim (our 19 year old) and 5 other young people are going to Saskatchewan to help in Silver Birch Camp.
- July 6-9 – Reserve outreach with Herb and Crystal Taylor
Herb and Crystal Taylor will be with us for the Cowboy Church at the Stampede. They would like to go to various reserves in our area and have services the next week. He is an evangelist and she sings country Gospel music. So far, only one reserve has confirmed a date.
- July 12-16 – Vacation Bible School
We will be having it at McLeese Lake 9AM-12PM. Then, we will go to the community of Alexandria (15 minutes north of us) for VBS 2-5PM.

- July 19-23 – Vacation Bible School
Mary, Steve, and 3 others are conducting a VBS in Williams Lake.
- July 26-30 Vacation Bible School
We will be having Vacation Bible School at Tatla Lake 1-4 PM.

John is pursuing renting a plane (Cessna 172) during the time that our plane is being renovated. This is so he can keep current in flying and use it for ministry. This past month he was able to fly out with another pilot and visit at the ranch where John was stranded for 3 ½ weeks a couple years ago. They had a good visit and left Christian literature for them to read.

We appreciate your prayers for each one of these events:

- Safety
- Gospel to go forth
- Salvation of souls
- Strength and energy (especially for John)
- Finances for all

Thank you so much for upholding us in prayer and for the support that you give towards our family.

In Christ,

Cynthia

Cynthia, for the Noble Family

Boy's Campout

John & Cameron Linde flying out to visit
